**Hymn of the Month, November, 2021.**

**By Ellen Brown, Dir. of Music**

**Our Hymn of the Month for November, 2021, is titled “10,000 Reasons (Bless the Lord)” with words and music by Matt Redman & Jonas Myrin.**

*In November, we traditionally think about “giving thanks” and the **November Hymn-of-the-Month, “10,000 Reasons” says it all.***

First recorded by Matt Redman in 2011 on his album of the same title, it has been translated into many languages and sung ‘round the world. In 2013 it received 2 Grammy awards, 2 Gospel Music Assn. awards, and 2 Dove awards!!

Psalm 103 was the inspiration for this song with the verse “Praise the Lord, my soul; all my inmost being, praise His holy name.”

In the song, we are reminded of what King David wrote about God’s mighty love: He is rich in love, slow to anger, His heart is kind, He is filled with goodness.” The 3<sup>rd</sup> stanza of the song goes on to say: “And on that day, when my strength is failing, the end draws near, and my time has come; Still, my soul will sing Your praise unending, ten thousand years, and then forevermore!”

As you listen to and sing this wonderful worship song, think of All the 10,000 reasons which you have for praising the Lord!

About the Composers: The words and music of this modern hymn were co-written by the English singer-songwriter Matt Redman, and Swedish songwriter Jonas Myrin.

- Video presentation describing the program currently in place in Mesa.
  - o La Mesa reaches out to the homeless and underhoused community once a week (Tuesday) offering a meal, food to take with them, and a short worship service. The facility in Mesa serves as a resource center Monday through Friday offering financial management classes, connections to community resources, and finding sustainable housing.
- La Mesa intends to come into Tempe using a food truck until they find a facility offering space for seating and a worship service for the homeless
- 20% of population of Tempe is below the poverty line.
- La Mesa staff have visited our facility and think it will fit their needs. They would need some storage space here. They bring in all the food for the meal and package it here. They clean the facility and will monitor the bathrooms and narthex.
- We would create a Memorandum of Understanding with them specifying the responsibilities of La Mesa and Beautiful Savior and ability to terminate the partnership.
- The La Mesa director formerly led the Phoenix Homeless Task Force and is well aware of the resources and agencies in the east Valley working with the homeless.
- If it isn't God's will for the congregation to work with La Mesa, we should seek out other opportunities to use our facility to help those in need.
- Members are encouraged to visit La Mesa Tuesdays to see how the program works.
- Discussion shared concerns about safety and liability issues with nearby schools.
- Homeless people would find their way to Beautiful Savior.
- La Mesa would inform neighbors about their event.
- Questions raised about covid procedures, liability insurance, use of the facility by others.
- Pastor encouraged us to do something that we will be known for. This is an opportunity.
- President Cyndi closed the discussion by asking everyone to pray about this opportunity and vote on it at the Nov. 14th meeting.

Meeting adjourned at 12:45 PM followed by prayer from Pastor.

## **CARE TEAM**

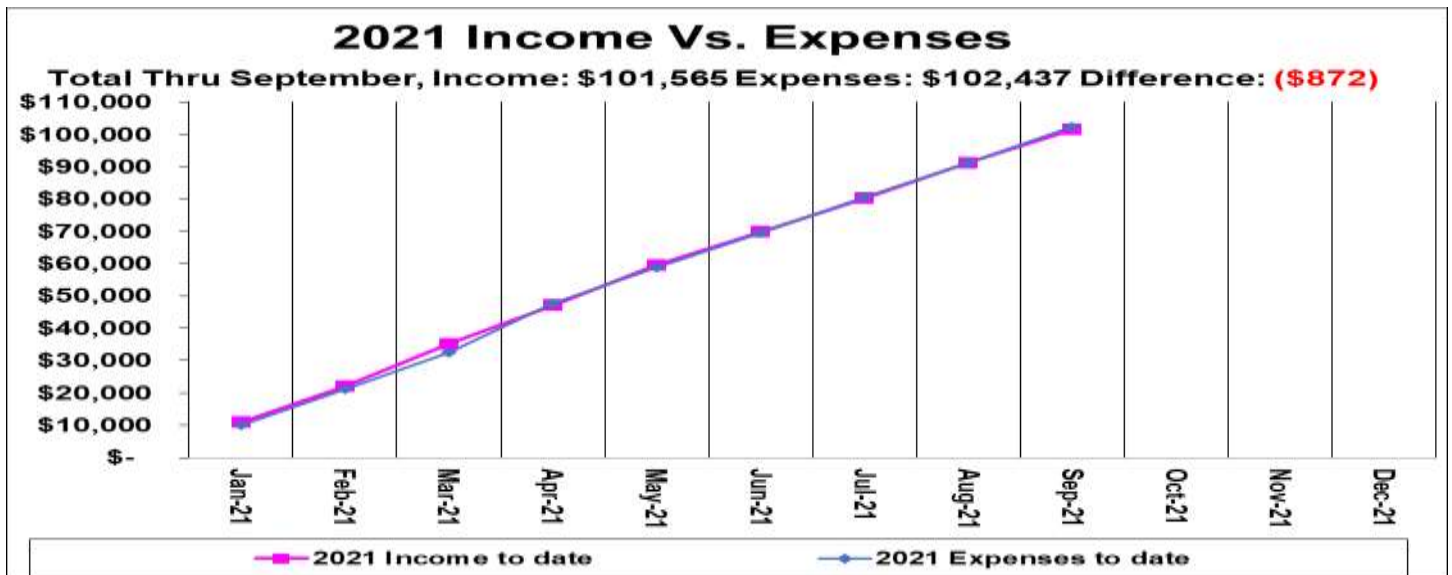

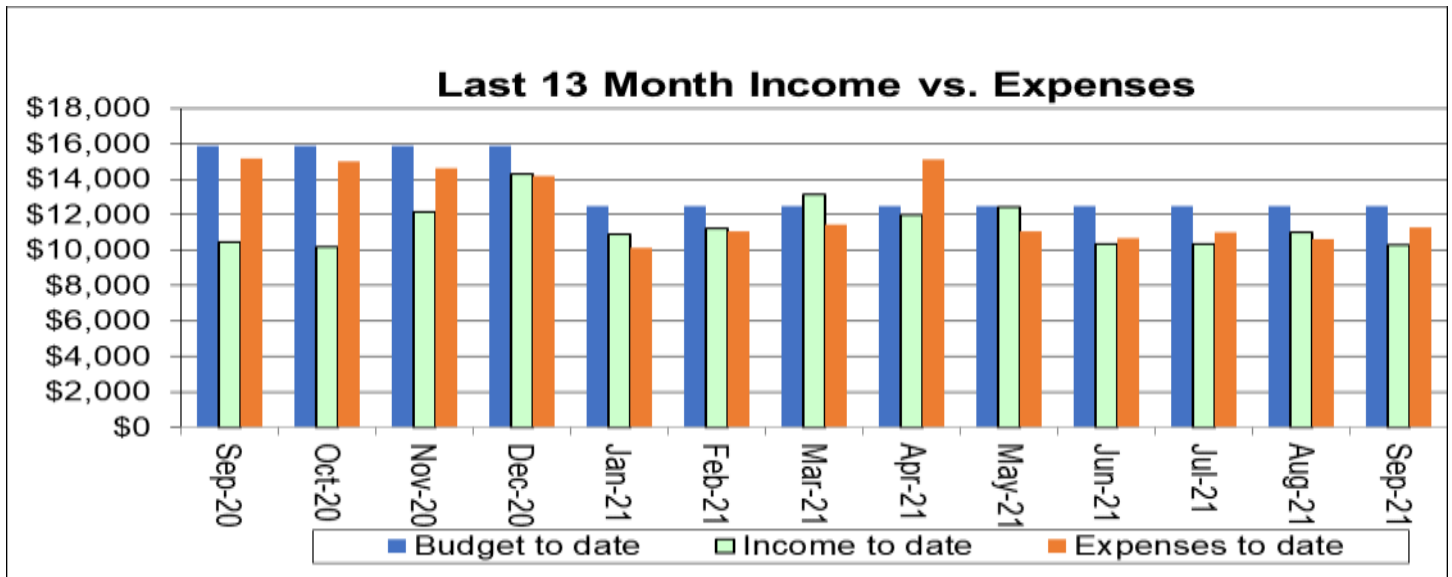

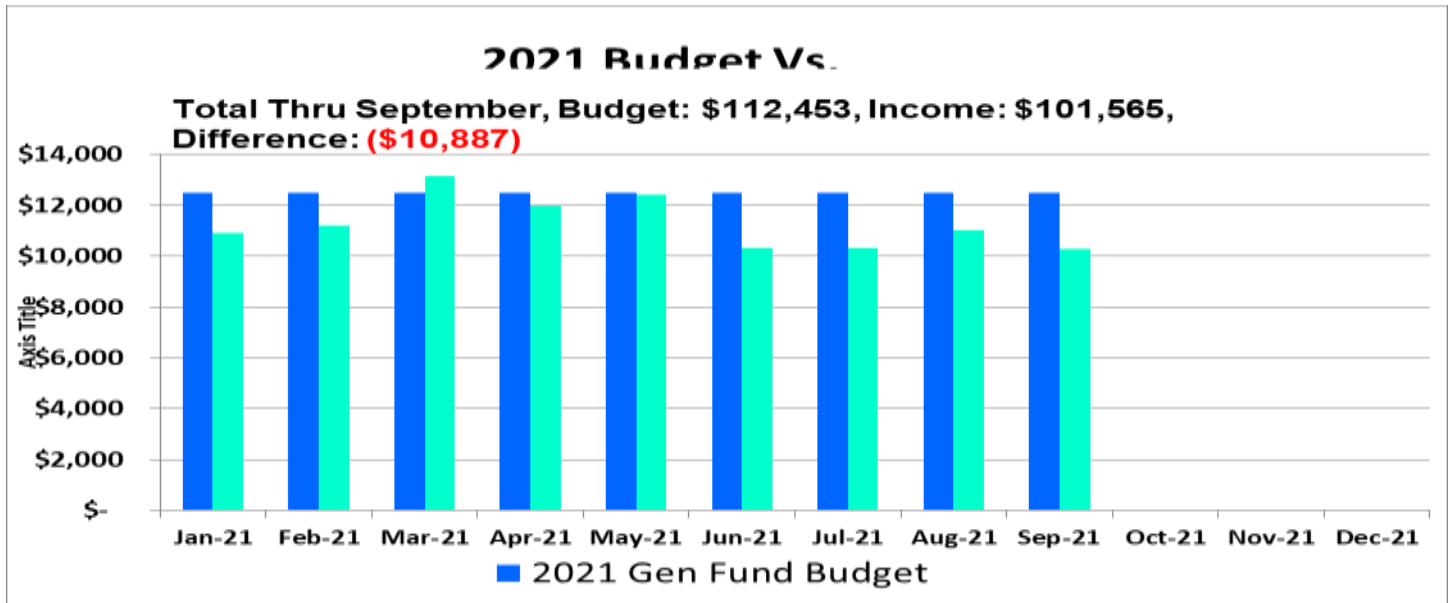

The Care Team is a result of the revitalization team; the purpose of the Care Team is to contact BSLC members in need by letting them know that they are missed, loved and that BSLC is thinking about them.

We plan on doing this by contacting members by phone, visiting the home bound, people in care centers, sending "thinking of you", birthday, and anniversary cards, offering rides, possibly cooking a meal; anything that is needed. We are in the "beginning" stage so we are not quite certain how far this team can reach but feel the possibilities are endless.

If you would like to join our Care Team or if you know of any BSLC member you feel should be contacted please either contact one of the Care Team members or let Pastor Tim or Marsha know.

At this time the members of the Care Team are Pat Carlin, Gladys Meyers, Katheryn Odle, Debbie O'Neill and Phyllis Schinke

## **STEWARDSHIP REPORT:**

September/October 2021 Since the last Council meeting, the Stewardship Committee spent \$476.72 for items for the Justa Center. \$455.00 was from donations from the congregation and \$21.72 from Outreach Funds. We purchased the following items: 7 Kirkland laundry soap pod containers w/152 pods in each, 212 rolls of toilet paper, 20 cans of each of the following: tuna, chicken, corn and green beans, 8 corn tortilla packages w/100 in each, 8- 6.9 lb cans of canned country sausage gravy, 10- 6.9 lb cans of chili con carne and beans and 9 boxes of saltine crackers, plus items that were collected previously that were stored at the church, including jackets, a blanket and various clothing items. There were also various sundry items-soaps, toothbrushes, etc. Sue Jimenez donated pill containers and soap that she had collected. All items were taken to the Justa Center and they were very thankful. Dorothy McShee and Bobbie Littou delivered the items and toured the facility. The pledge letters and envelopes were printed by Marsha and were sent out 10/13. Sunday, Nov. 7 will be designated as Stewardship Sunday when the pledge cards may be returned. The Stewardship committee intends to provide lunch for the congregation which will be sandwiches from Costco, chips, and drinks. Since this is the first Sunday of the month, dessert will be the cake for birthdays and anniversaries.

Bobbie attempted to contact Lily Gomez from Tempe High to ask if we could provide sweatshirts, leggings or other clothing items since the weather has cooled down and these items may be needed for the students.. Dorothy McShee has donated a sleeping bag and Bobbie will take that to Tempe High along with clothing donated by her granddaughter. As you know, members of our committee have had health issues lately, but all are on the mend so hopefully we will have a committee meeting in November as we need to discuss our intentions for donations for Thanksgiving and Christmas.

The Finance Committee has decided to transfer the budget item for the food pantry to Stewardship since it has not been used for quite a while. Therefore, the amount designated for this, \$950.59, has been moved to the Stewardship budget for which we are very grateful. We intend to use this to purchase food items, etc. for Gilliland, Holdeman and Tempe High when we can get a response from them as to their needs.

Stewardship Committee--Bobbie Littou, Charlotte Grefe, Dorothy McShee and Wendy Sievers

## **The Forgotten November Holydays**

Pastor Tim Anderson

In just a few days Pumpkin Spice Latte's and fall flavors will begin to step aside at Starbucks and other coffee shops as Peppermint Mocha's and Gingerbread lattes will begin to take their place, and for this coffee lover, (or some might say Addict), I could not be more excited. I love the flavors, smells and feelings of Christmas. It is one of my favorite times of the year, but I struggle mightily in the month of November, because a lot of people have different ideas as to when the Christmas Season begins. To me, it's as if the Holidays or Holy Days of November are being completely forgotten, as the Christmas season pushes earlier and earlier. Even Hallmark has begun their Christmas programing, with titles such as "You, Me and The Christmas Tree." I could be wrong but I don't think that's the tree is the third strand that Ecclesiastes 4 is talking about when we hear that a cord of three strands is not easily broken.

Now I try not to whine this much in our monthly newsletter, but it really is something that has bothered me for a while and I don't know when we began to skip everything November has to offer. This year is seeming to be so much worse as all the fear mongering about not being able to buy Christmas gifts do to the supply shortages has only pushed the commercialism of Christmas earlier and earlier into October. But I NEED the weeks of November and December. I need the blessings they bring to us as the church. And yes, I do mean thanksgiving, but I also mean the blessings that come from All Saints Day and from observing Advent, the longing and waiting and watching for our newborn king. Yet Advent is also when we wait for the return of our king, our lord and savior Jesus in glory. There is so much that happens during these final two months of the year and as much as I can't wait for my Peppermint Mocha's and we all know that I will definitely drink them anyway, I want to wait a few more weeks until I start singing "Silent Night," or even "Rudolf the Red Nosed Reindeer."

This year, I want to encourage you to take your time, and be with us for the moments of Thanksgiving and praise. I want to encourage you to stop, ponder, and give thanks for all that God has done to bring us through the Pandemic, and these past two years. We have lost plenty in the last 20 months, civility in our country, time with

loved ones, homes, jobs, some personal freedoms, and some of us have even lost those that we love, and yet we still have so much to be thankful for. We can be thankful for the promises of God sealed for us in the waters of Holy Baptism. We can give thanks for the ability as the church to gather in a variety of means, as volunteers and pastors worked tirelessly to bring God's word to the world, even digitally, when we weren't able to be together. There is so much to be thankful for, and we at Beautiful Savior have the ability to thank God for our 61+ years of ministry in this place, for the ability to finally celebrate that anniversary and for the blessing of seven new members to our congregation this year so far.

Most of all I pray that we remember to give thanks for the victory won in the cross and for what that means for us. I said the Holy Days, plural, of November are being forgotten and I mean it. Nov. 1<sup>st</sup> is All Saints Day, a day when we remember and give thanks to God for all those who have gone home to be with the Lord, all those who rest from their labors here on earth. And for a holiday that the Christian Church has celebrated since the 4<sup>th</sup> century, I don't really know when and why we sort of stopped. Especially as Lutheran Christians, Nov. 1<sup>st</sup> should hold specific significance, as Luther chose "All Hollows Eve" in other words the evening before All Saints Day, to post his 95 Thesis. This holiday used to be as big as Christmas and Easter. It is the day when the story of salvation is centered on us. All Saints day is all about what Christ's life, death and resurrection means for us, and for those who have died in the faith. As Revelation 7 tells us,

*Who are these, clothed in white robes, and from where have they come?" <sup>14</sup> I said to him, "Sir, you know." And he said to me, "These are the ones coming out of the great tribulation. They have washed their robes and made them white in the blood of the Lamb. <sup>15</sup> "Therefore they are before the throne of God, and serve him day and night in his temple; and he who sits on the throne will shelter them with his presence. <sup>16</sup> They shall hunger no more, neither thirst anymore; the sun shall not strike them, nor any scorching heat. <sup>17</sup> For the Lamb in the midst of the throne will be their shepherd, and he will guide them to springs of living water, and God will wipe away every tear from their eyes."*

Please would you consider joining us in Church on November 7<sup>th</sup> as we begin our slow and intentional walk through the Holiday's and Holy Days at the end of the Year. Help us remember those whose victory is won, and let us remind each other of the hope we have in Christ. As we honor and remember we will light Candles and place them in the Baptismal font for anyone whom the Lord has called home in the last two years, and we will also toll a bell for all saints and believers in all times and places who have received the crown of everlasting life. As we give thanks for all that we have in this life and the next, celebrating Christ our King and looking forward to his return as we look back once again to that babe in the manger, as the Angels sing, Glory to the Newborn King.

Pastor Tim
